H. SCHOLARLY AND PROFESSIONAL ACTIVITY

1. University of Afghanistan (UofA)

As the Chancellor of UofA from 2012 to 2021, I was directly involved in academic, educational and research centers and organizing several academic events. My primary responsibilities included:

- Creating research policies and educational frameworks.
- Overseeing the hiring of senior staff.
- Managing the planning of academic and research programs.
- Creating a supportive learning environment.
- Representing the institution in educational seminars and conferences.
- working with Senior Administration, Faculty, and Staff to:
 - ensure effective long-term academic planning,
 - ensure balanced budgeting,
 - ensure financial accountability,
 - ensure efficient use of financial resources,
 - ensure appropriate management of human resources,
 - ensure the ability to attract and retain a diverse student population,
 - ensure the ability to attract and retain a diverse workforce.
- working with the Research Center and Faculties to:
 - establish and maintain focused, coherent research and academic programs,
 - ensure high-quality research.
- working with Students to:
 - establish and maintain a regular consultative relationship with Students and their elected representatives on accessibility, academic programs, student life, infrastructure, and governance.
- working with the Alumni Association to:
 - ensure support for the University.
- working with the governments to:
 - ensure support for the University and research.
- Planning budgets.

In the context of the objectives cited above,

- working with the broader community to:
 - Encourage debate and examination of issues,
 - Apply university skills and research to community issues and problems,

- Ensure the support of the broader community for the University.

2. Centre for Strategic Studies (CSS), Afghan Ministry of Foreign Affairs:

As the Director General of CSS from 2012-2018:

- **Strategic Leadership:** Directed the strategic planning and implementation of research initiatives that informed national policy decisions and diplomatic strategies.
- **Policy Development:** Led a senior team in drafting and revising Afghanistan's foreign policy, ensuring alignment with regional and global trends.
- **Conference Organization:** Spearheaded major international conferences, including:
 - Regional Economic Cooperation Conference on Afghanistan (RECCA) Academic Forum, (Kabul, Ashgabat, Dushanbe)
 - Afghanistan and Energy Security in the Region,
 - Women, Peace, and Security in Afghanistan,
 - Afghanistan and the Regional Cooperation (jointly with DPG of India)
 - RECCA Academic Forum, focusing on key issues such as energy security and women's participation in peace processes.
- **Publications and Research Output:** Oversaw the publication of 20 books and 22 volumes of the *Strategic Studies Journal*, promoting scholarly discourse on international relations and Afghan security issues, and translating 12 books from English to Farsi Dari.
- **Collaboration with Government:** Worked closely with senior officials and governmental agencies to prepare policy papers that addressed pressing security challenges and informed high-level decision-making.
- **Capacity Building:** Developed training programs and workshops for diplomats and government officials on international relations, negotiation techniques, and regional cooperation.

All elements of the 2012-2018 Regular and Development funding were implemented.
